Meetings				

PRESIDENTS TIME:

- Phil Cooper, who has returned home to England, writes that he has raised \$200 through speaking engagements for the Cyclone Relief Fund.
- DG Kevin Forgeson advises that \$23,200 has been given to the 5 Napier Clubs but unlike the Disaster Relief Fund there is no criteria as to how this can be dispersed so it can be used for any purpose Clubs see fit to help in our community ravaged by Cyclone Gabrielle. The balance of the Fund will be forth coming later in the year.
- The donation from Alistair Irwin's Rotary Club in Auckland is going to the Napier Family Centre.
- The Rotary Conference is still going ahead despite the low number of registrations.
- The RFE Group from Kentucky in the USA has been in town and were hosted by Sue on an Art Deco Walk which was well received.
- As you will see above there is no meeting on Monday 24th because of Anzac Day on the Tuesday. The Board decided we could all do with a long weekend. (Many thanks)

NBH INTERACT CLUB: Chris said they had 30 at their last meeting and are going well.
