## Q: What is an "Emblem Use Authorization Statement"?

A: When a vehicle owner wants to obtain a specialty license plate from the Missouri Department of Revenue, the application must include an original Emblem Use Authorization Statement issued by the organization shown on the specialty license plate. A copy is not acceptable.

An Emblem Use Authorization Statement is provided to the vehicle owner after he/she makes the designated minimum contribution to the organization for that purpose. An Emblem Use Authorization Statement may be obtained for a one year or biennial registration.

This process must be repeated every time the specialty license plate registration is renewed.
