

# GUNDERLIN LTD.

## INSTRUCTIONS FROM MIAMI INTERNATIONAL AIRPORT

Leave to Airport via the exit to Le Juene Road North. There are four possible choices, so stay to the right and take the North Bound Le Juene Road Ramp.

You will be heading North on Le Juene with the Airport to your left side. You will proceed through the intersections for the Airport Expressway first and then Okeechobee Road. These are the two major intersections with the longest wait for traffic and light changes.

Continue North on Le Juene, which after crossing Okeechobee, will also be called East 8<sup>th</sup> Avenue.

Upon reaching the intersection of East 25<sup>th</sup> Street you will turn right and head East.

You will go up two blocks on East 25<sup>th</sup> Street to the intersection of East 10<sup>th</sup> Avenue.

At the intersection of East 10<sup>th</sup> Avenue you will turn left and head North.

Go North on East 10<sup>th</sup> Avenue to 35<sup>th</sup> Street. Nine Blocks.

At 35<sup>th</sup> Street you will turn right, go up two blocks to East 11<sup>th</sup> Avenue and then turn left.

Gunderlin's Offices and Plant about halfway up the block and located on the right or East side of the street.

Parking is at your discretion. Just find a spot near the Gunderlin Sign over the main doorway to the Front Office.

Looking forward to meeting with you when you arrive.
