

HCG DIET COSTS

At each weekly visit we will assess your progress with weight, body measurements and ketosis testing.

Patients are responsible for payment upfront at start of diet \$575 for 25 day program or \$695 for 40 day program includes payment to pharmacy for medication and supplies. We will supply you with itemized receipt for office visits, consultations and lab work for submission to insurance company.

We collect the payment upfront to insure that patients visit office weekly, adhere to diet and maintain appropriate medical supervision of the diet. If you are unable to pay fees upfront please call our office to schedule payment arrangements.

MD's Office fees: \$575 upfront fee 25 days \$695 upfront fee 40 days
