## THEATRE CHOICES

Our hotel location lends itself to many of NYC's most popular attractions. One of those attractions is its theatre district. To kick off the reunion weekend in NYC why not consider attending one of NYC theatrical productions. There are over 40 productions showing per night, from long running favorites to drama and fairy tale productions there is something for everyone to enjoy. To take advantage of group rates we will all have to decide on one production no later than May 31. I have listed brief descriptions of 3 of the hottest shows in NYC. Please indicate which show you are interested in seeing on your registration form. We will attend the show with the majority of selections.

### Phantom of the Opera

Andrew Lloyd Webber's most famous creation, based on a popular French novel, is the longest-running musical on Broadway. Night after night, audiences are moved and awed by this ghost story with a heart, a darker version of Beauty and the Beast, in which a deformed musical genius gives voice lessons to a struggling singer, falls in love and attempts to force her to return his feelings. The passionate music, suspenseful plot twists and spooky ambiance of the show leave a lasting impression.

### The Lion King

Over 45 million people worldwide have come to discover the wonder, the majesty, and the truly one-of-a-kind experience that is The Lion King, the world's most spectacular musical. Hailed by Newsweek as "a landmark event in entertainment," The Lion King is a breathtaking adventure that stretches the boundaries of Broadway, from the heart of Africa to the plains of your imagination. See it now. Remember it forever

### Chicago

This quintessential Broadway experience features show-stopping tunes, slinky dancing and a story that revolves around murder, heartache, betrayal, revenge, friendship, fame and all that jazz. You won't be disappointed by this Tony Award-winning show, which spawned the hit movie. Dark Wednesday.

LIVE FROM NEW YORK IT'S THE.....

JIM MARTIN FAMILY REUNION!!

How did Time Square get its name?

In 1904 the New York Times lobbied to get the formerly "Long acre Square" renamed to Times Square after the NY Times building that was there. They celebrated the name change with a large New Year's Eve celebration - and a tradition was born.
