FREEDOM KILNS – Freedom kilns are a select series of kilns built with 3" brick and are equipped with electronic controllers. The 23", 28" and 25" Freedom kilns are equipped with counter weight lid system for easy opening and closing of kiln lid; and the 25" Freedom has a 2-inch brick lip at the top of the kiln firing chamber. Every Freedom kiln comes with its own Freedom Kit, an emergency repair kit filled with parts with a value over \$100.00, furniture kit with a free 33 assorted stilt package, and VentMaster.

DUAL MEDIA KILNS – Dual Media (DM) kilns will high fire pottery and ceramics and have a lid element for glass fusing. The lid element is controlled by an ON/OFF switch. DM kilns are equipped with the RTC-1000 controller, which will run glass firings as well as cone firings. You may order a DM kiln with a V6-CF controller. Please specify when ordering. Oval dual media kilns are built with a 2-inch brick lip at the top of the kiln firing chamber.
